Catering

High-quality food is crucial to keep your employees happy and productive on board. At Catra Catering, we focus on providing top-grade, varied, and nutritionally balanced food with a carefully thought-through food display.

Our chefs have vast international experience and are certified by leading professional institutions. Menus are adapted to any religious demands, health requirements, and lifestyle choices. We use only top quality ingredients that come from a small number of carefully selected suppliers.

We create culinary delights, from the planning stages through to the processing, storing, handling, and presentation of delicious meals.

always implementing the highest standards of hygiene, safety, and quality control. Our menu variation plan is built giving a particular attention to healthy food options and diversity with a detail for style and taste.

Facility Management

Catra Catering offers dedicated housekeeping, cleaning, laundry, janitorial, and facilities maintenance services. A rigid program is put in place to deliver continuously cleaned, disinfected, and maintained working, eating, and sleeping areas within the unit. We also offer a range of recreational services and a bonded store on board.

Our crews have been extensively trained to consistently deliver the highest standards of cleanliness, hygiene, and safety. We care about the environment and use only environmentally friendly chemicals for all cleaning procedures.

Waste Management

At Catering Service, we understand that responsible waste management is essential to sustainable and efficient operations. Our waste management system is designed to minimize food waste, reduce environmental impact, and support a cleaner and safer working environment on board.

We apply careful planning in menu design and portion control to limit surplus. Any unavoidable food waste is handled in accordance with strict safety and hygiene protocols. We also separate and properly dispose of recyclable materials, organic waste, and general waste, following international maritime and local regulations.

Through continuous staff training and investment in modern equipment, we aim to improve waste handling efficiency and promote eco-friendly practices. By implementing these measures, we help protect the environment while maintaining high-quality service for our clients.

Our Ingredients

- We use only fresh, natural, organic ingredients.
- No harmful chemicals—additives, preservatives, flavors, colors, etc.
- Rich in balanced nutrients.
- Fully committed to using only
- Halal-certified ingredients.

We prioritize local products!
